What on Earth

Is the reason people will not, can-
not, or do not see any difference in
cheap nos trumps put up by Cheap
John houses or irresponsible parties
at enormous profits, rather than
take a medicine of world wide epi-
tation and one that is giving uni-
versal satisfaction at equal price?
No medicine in the world is giving
such unparalleled satisfaction for
purifying the blood as BEGG'S
BLOOD PURIFIER & BLOOD
MAKER, and every bottle that
does not do its work, will cost you
nothing. W. H. Chedie, Druggist

How Can Parents

allow their children to cough and
strain and cough and calmly say:
"Oh! it's only a little cold," and
keep giving them cheap and dan-
gerous medicines, until they are
down with lung fever or con-
sumption, when they can be so
easily relieved by BEGG'S CHER-
RY COUGH SYRUP? It has no
superior and few equals. W. H.
Chedie, Druggist.

ser and Plaza streets, immediately

The Board of County Commis-
sioners meet on Monday, February
3, 1890, at 10 A. M.

Quite a number of Virginia peo-
ple were down to attend the O. N.
O. dance last evening.

A shed in the rear of the County
Building collapsed yesterday from
the weight of the snow.

Ask your grocer for Sperry's
Flour; for sale by Geo. T. Davis,
and all the best groceries. j31

A train of three engines and
eight carloads of wood left here for
Virginia about 2:15 yesterday after-
noon.

Bob Grimmon made another trip
to and from Carson yesterday, and
reports the road in pretty fair con-
dition.

H. Zehner's wife presented him
with a fine boy baby yesterday
morning. Mother and child are
doing well.

A gentleman while drinking a
glass of milk recently, found a
minnow in it. Of course no one
knows how it got there.

Twenty-five head of cattle arrived
in Empire yesterday en route to
Virginia to Chas. Zeigler. They
were brought in from Mason Val-
ley.

The V. & T. have a gang of about
80 men working between here and
Lake View, and expect to get to
Reno by today, in time to meet the
C. P.

Old man Vesey the miser, known
as "Hermit Vesey," is snowed in
in a canyon this side of Lake View
and it is not known whether he is
dead or alive.

Five trains left Reno Thursday
for San Francisco, taking all the
delayed passengers. Their depart-
ure was celebrated by the firing of
bombs, firecrackers, anvils, etc.

See Wau is down from the Lake
with sixty Chinamen who have la-
gritped. He says that when they
cut down a tree and it fell into the
snow it took two hours and a half to
get it.

W. H. Verden, ex-District At-
torney of Mono county, came in
from Bridgeport Thursday. He
came by way of Wellington and
Wabuska, and reports four feet of
snow in Bridgeport.

Several horses attempted to
weather the storm by retreating to
the hills near the North Carson
mine. Four succumbed to cold
and hunger, and the coyotes are
howling over their bodies.

Lyman Frisbie, the Arlington
House mascot, has become totally
snow blind in the eye which he re-
cently purchased at the Optical In-
stitute in San Francisco. He says
it was guaranteed to stand any
climate.

Will Wright succeeded in getting
two very good pictures of the
engines on the V. & T. near the
Scales, and has them on sale at
Peterson's gallery. The APPEAL
acknowledges the receipt of the
pair.

Al. Kelly and Young Brady will
have a friendly three-round go with
gloves at the Hole-in-the-Wall to-
night. The boys are very evenly
matched, and those who witness
the contest will see a very scien-
tific and pretty exhibition of the
manly art.

In the canyons at the base of

Job's Peak, there is a drift of snow
fully 100 feet deep. In the bright
sun the whole range and the fields
in the fore ground glisten with de-
zizing brilliancy. It looks strangely
like the pictures of the Alps clothed
in their perpetual glaciers, and is a
sight which an Easterner would go
into ecstasies over.

Too Much of a Good Thing.—
There is to be a great talk among
the Putes at the reservation, says
the Walker Lake Bulletin. Some
months ago, fearing another dry
season, the Indians had a rain or
wet talk. At that meeting, one
Jakey-Wilson, the Modern Moses
of the Putes, was deputized to go
up in the mountains and "see
Jesus" and ask for moisture. He
went. The Indians all solemnly
aver that Jakey saw Jesus, who
promised that rain should fall. The
most skeptical cannot deny that
water fell. Now, however, Mr.
Indian says he is too wet and cold
and can't keep warm. Accordingly
the Putes will assemble tonight,
and Jakey Wilson will again be
sent up the mountains with a nu-
merously signed petition that the
flood gates be closed for a little
while. Let us hope that Jakey
will be successful in his mission.

A Lion in Town.—A California
lion was seen passing through the
Southern portion of Carson night
before last, between 7 and 8 o'clock
evidently making his way from the
snow banks of the Sierra Nevada
mountains to the low hills to the
East of Carson River. The animal
appeared to be somewhat bewil-
dered by the glare of the electric
lights and strange surroundings,
but carried out his determination of
leaving the snow belt for better
pastures and parties in pursuit with
guns report that after leaping the
eight-foot board fence which sur-
rounds the new race track, he dis-
appeared in the darkness in the
direction of the State Prison and is
probably now somewhere in the
citrus belt.

Special to the Appeal.

RENO, Jan. 30.—All trains de-
laved at Reno and Truckee last two
weeks by the snow blockade on the
mountains moved west in good
shape yesterday and got through
without any trouble. The S. P.
is now clear and trains reported
making good time. Large quantity
of mail and express lying at Reno
awaiting arrival of the V. & T. train.
Telegraph lines still interrupted by
a large quantity of snow on the
mountains. M.

SMALL SLIDES.—All along the
range of hills back of Genoa, in the
small canyons, there are small snow
slides. Like somebody had started
a huge snow ball rolling from the
top, which had grown to the size of
a bar and finally broken into a
thousand fragments at the bottom.
Although no harm has been done,
the people feel some little concern,
as warm weather will doubtless
start considerable snow down the
canyons and ravines.

THE RIVER.—The ranchers in the
flooded districts above Genoa have
been hard at work ever since last
Saturday with drills, picks and
dynamite powder, making a strenuous
endeavor to get the river back into
the old channel. Thursday, aided
by the warm sun, they succeeded
in doing so. Great relief is felt, as
the water running as it did, was a
menace to life, and was doing great
damage to fences, ditches and or-
chards.

SUTRO TUNNEL SUIT.—The suit of
Sutro Tunnel shareholders vs. the
Cemastock Tunnel Company is set
for hearing in the United States
Circuit Court at Carson on Feb-
ruary 3, the time allowed consul for
the defendant to file an answer to
the complaint of plaintiff. It is
probable that further time will be
granted as the railroad snow block-
ade will prevent the filing of import-
ant documents now en route.

A \$2,000 BLAZE IN RENO.—At
Reno on the night of January 27th,
a wagon and blacksmith shop, on
Railroad avenue near Fitzgerald's
livery stable, were destroyed by
fire. The loss is estimated at \$2,
000, on which there was an insur-
ance of \$1,600. No water could be
obtained and the Fire Department
was powerless to perform effective
service.

THE LOST IS FOUND.—A drummer
woke up at the Arlington the other
morning and found that his room-
mate was not in bed. He arose,
dressed and made inquiries at the
office, but nothing had been seen of
him since the previous evening. As
the lost party was known to be a
model drummer in every respect,
his absence was the source of much
trouble to his room mate. A search
was immediately begun, and the
Sheriff notified. While this news
is always gladly received by the
populace at large, the drumming
fraternity felt quite sick. The town
was scoured but he could not be
found. Yesterday morning it was
ascertained that he got into the
wrong hotel by mistake and didn't
learn of the fact until he reached
the dining room.

Eggs.—The landlord of the St.
Charles bought a case of eggs last
week for his boarders at 40 cents
per dozen. The snow blockade
raised the price to 60 and 75 cents,
and he concluded there was more
profit in selling, which he did. The
price is two for 25 cents.

MEETING NOTICE.—There will be
a regular monthly meeting of the
Myosotis Tennis Club this Saturday
evening, February 1st, 1890. By
order of President.

WILBER WILSON, Sec.

Language is hardly strong enough
to express my admiration of the
merits of Chamberlain's Cough
Remedy. It is the best remedy for
croup and whooping cough I have
ever used. During the past eigh-
teen years I have tried nearly all
the prominent cough medicines on
the market but say, and with
pleasure too, that Chamberlain's
Cough Remedy is the best of all.
THOMAS RHODES, Bakersfield, Cali-
fornia, For sale by G. C. Thaxter.

The fact has been abundantly
proven that Chamberlain's Cough
Remedy is the most prompt, most
reliable and most successful medi-
cine yet discovered for acute throat
and lung diseases, such as coughs,
colds and croup. For sale by G.
C. Thaxter.

ADVICE TO MOTHERS.—Mrs.
Winslow's Soothing Syrup
should always be used for children
teething. It soothes the child, soft-
ens the gums, allays the pain, cures
wind colic, and is the best remedy
for diarrhoea. Twenty five cents a
bottle.

The Boyd brothers have offered
the finest meats obtainable to their
customers and as they raise their
own beef, veal, mutton and pork,
they can not only select the most
choice meats but can place it at a
very low rate. The boys are well
known throughout this section and
will endeavor to please their cus-
tomers. j29if

Mr. W. H. Baldrige, druggist
Escondido, California, says: Cham-
berlain's Cough Remedy is the best
selling medicine I handle. In fact
I sell more of it than all other
cough medicines combined. Every-
one who has used it speaks in glow-
ing terms of its efficiency. For
sale by G. C. Thaxter.

While Will Wright is still with
Peterson, at the gallery over Thax-
ter's, special attention will be
paid to enlarging of portraits. Mr.
Peterson has done some very fine
work in this line, which can be
seen at the gallery. The public is
invited to call and inspect same. j2

Cough! and Cough! and Cough!!
What in the world is the reason
you will cough and keep coughing
and still keep trying inferior medi-
cines when BEGG'S CHERRY
COUGH SYRUP will positively re-
lieve your cough at once? This is
no advertising scheme, but an ac-
tual fact, and we guarantee it. W.
H. Chedie, Druggist.

LOST.—A white knit shawl. The
finder please leave the same at
Cagwin & Notewares store. j. 21 tf.

Meat is sold very cheap at the
new market opposite the Capitol. 3t
